## **Coolbinia Amateur Football Club Trevor Delane Award – Best Team Man**

### *Trevor Delane Award Criteria*

Trevor Delane was a well-loved character who played for Coolbinia Yokine in the mid-80s. His life was tragically taken at a young age.

Trevor was a knockabout bloke, with a cheeky sense of humour and someone that would do anything for his team mates. He is immortalised in the portrait that hangs near the screen at the southern end of our club rooms.

Following his passing, his parents donated a perpetual trophy in memory of Trevor. For many years they attended the trophy night, from the country town in which they lived, to present the trophy at the annual trophy night.

The Trevor Delane award is presented annually to the player that, in the opinion of the senior coach and president, displayed the attributes of a true team man.
